EXTRACURRICULAR

The after school sports program teaches the basic human values of sportsmanship, cooperation and respect. Its goal is to help foster friendships, provide leadership opportunities, and help students develop a positive attitude toward athletic competition. In addition to sports, students have the opportunity to participate in music, science, Boy and Girl Scouts as well as club activities.

PARENT INVOLVEMENT

Parental involvement at St. James is both encouraged and necessary. There are many volunteer opportunities, including assisting teachers in their classrooms, serving on the Parent Council, fundraising events, and coaching athletics. This participation fosters communication between teachers and parents in their joint effort to support and educate students.

St. James has a strong sense of community. Our students are goal-oriented, globally aware citizens who possess a keen sense of responsibility and respect for authority, self and others. St. James Academy is more than a school, it is a community.
