

# Presents... **AFTER SCHOOL HOOPS**

## *After-School Basketball Clinics for Boys & Girls grades K-6*

**One on One Basketball** is proud to offer **AFTER SCHOOL HOOPS®**, a weekday afternoon basketball program for aspiring young players. The one-hour instructional sessions combine fundamental skill instruction and coordinated team competition with the goal of providing an enjoyable and educational after-school athletic event. Participants benefit by improving their individual skills such as dribbling, passing, shooting, rebounding and defending while at the same time learning how to work within the framework of a team. *Boys and girls of all skill levels are encouraged to join.*

One of the many merits of **AFTER SCHOOL HOOPS®** is that it provides school children with an organized after-school event at which they can learn, socialize and most of all have fun. Using athletics as the vehicle, **AFTER SCHOOL HOOPS®** provides children with an opportunity to improve their overall physical fitness, develop sportsmanship and gain an understanding of the game of basketball.
