**St. James Academy Chapter**

Kids Korps USA is a non-profit organization that provides community service opportunities for children ages 5- 18. It gives children and their parents an opportunity to learn about their community and to understand the value of their service in helping others.

The service projects include opportunities such as feeding the homeless, preparing food at food banks, making blankets for homeless and abused children, playing bingo with senior citizens, participating in Special Olympics, lagoon clean ups, and many more.

Last year, we started the SJA Kids Korps chapter and had a great response and positive experiences for our children. If you would like to join our chapter, please visit [www.kidskorps.org](http://www.kidskorps.org) to easily sign up. Make sure you specify that you are joining the SJA chapter.
