St. James Academy Students Rock the School

Solana Beach, CA: Rock Met Classical Piano in recent school concert. St. James Academy students and their families recently attended the 3rd Annual Rock the School Concert in the St. James Parish Hall. Groups of St. James 4-8th grade musicians worked individually with their private teachers to prepare a show of rock and pop songs. The students who participated in the show auditioned and were coached by St. James music teacher Anne Marie Oldham. They performed alongside St. James classical pianists. The St. James Church youth Spirit and Inspire Choirs also performed. The show ended with an audience participation dance piece that ALL St. James Academy students had learned in music class

According to Principal Mrs. Kathy Dunn, "Mrs. Oldham, the music director, did an amazing job organizing the concert and we are thankful to the very talented students for an amazing night where "Rock Met Classical Piano". The night highlighted how fortunate St. James Academy is to have a program that instills such passion for music in our students!"
