Athlete Responsibilities Form

We at St. James Academy would like to thank you for your interest in the upcoming sports season. We anticipate a year filled with fun and enjoyment as the sports season is around the corner. It will be a time to play, laugh and learn as the season gets underway. So, have fun and remember that our goal is for everyone to enjoy his or her experience.

Each player signing a permission form that is turned in, is responsible to stay committed to the team until the end of the season. However, a grade of a C or better must be maintained throughout the season. Failure to do so will result in dismissal from the team. This form in addition to the permission form must be signed and returned in order to play.

Students need to attend all team practices as scheduled by the coach. Missing practice without an excuse may result in not playing in the following game. Students must listen and follow the instructions of the coach. This means playing after school sports is not recess. It's a time to have fun while learning skills, sportsmanship, and team effort in an organized manner.

All students must have the appropriate equipment for that sport in order to practice or play in the game. Uniforms will be passed out and should be returned at the end of the season. A \$ 50.00 fee will be assessed for a uniform not returned.

Athletes must go to daycare after practice and games when your ride is not present. There will be a charge for daycare services. Students are responsible for their own transportation.

The discipline policy for the athlete remains the same as it is for school. Participants must behave in accordance with the School Wide Behavior Plan. Students violating this on or off the field will be held accountable. This means that the athletic director or principal reserves the right to suspend or dismiss the athlete.

I agree to the above and fully understand that my child will follow the responsibilities of this contract.
