PARENT- STUDENT HANDBOOK AGREEMENT

The St. James Academy handbook can be found on our website under *Resources*

We/I agree to be governed by the policies and rules in the St. James Academy handbook. We understand that every attempt has been made to include pertinent and the most up-to-date information in the handbook and that the school and/or principal retain the right to amend this handbook for just cause. Parents and students will be given prompt notification if changes are made. We/I have apprised our children that attend St. James Academy of the governing policies and rules included in the St. James Academy handbook to ensure their effort in adhering to these policies and rules.

We have especially made it a point to familiarize ourselves with Section 14 titled *Technology Acceptable Use Policy*.
